

Technical drawing of a rectangular structure, likely a container or tray, showing dimensions and internal features. The overall dimensions are 1002 (width) and 750 (height). The structure has a top flange of 20 and a base of 60. The main body is divided into three horizontal sections, each 218 high. The width of the main body is 836. The structure is filled with a hexagonal pattern, and there are three circular features (possibly holes or openings) in the center of each horizontal section. A leader line points to the top right corner of the main body.
